**"Duty, Honor, Country. Those three hallowed words reverently dictate what you ought to be, what you can be, what you will be. They are your rallying points: to build courage when courage seems to fail; to regain faith when there seems to be little cause for faith; to create hope when hope becomes forlorn. “The future does not belong to those who are content with today, apathetic toward common problems and their fellow man alike, timid and fearful in the face of bold projects and new ideas. It will belong to those who can blend passion, reason and courage in personal commitment to the ideals of American society.” Robert Kennedy

“A thoughtful mind, when it sees a Nation's flag, sees not the flag only, but the Nation itself; and whatever may be its symbols, its insignia, he reads chiefly in the flag the Government, the principles, the truths, the history which belongs to the nation that sets it forth.”  
Henry Ward Beecher

Four Chaplains, two Protestant, one Catholic, and one Jewish, exhibited the most uncommon brotherhood and valor, combined with supreme concern for saving the lives of other men. They organized frightened men and assisted their escape, then gave up their own life vests so others would survive. Together they went down with the ship. Every February churches around America remember their example in Four Chaplains Services. “Pray that I shall do my duty...never be a coward...and have the strength, courage and understanding of men. Just pray that I shall be adequate. Chaplain Clark Poling (one of the four chaplains) to his father before leaving for military service.

“We must not confuse dissent with disloyalty.  
When the loyal opposition dies, I think the soul of America dies with it.” Edward R. Murrow

# THE MEDAL OF HONOR

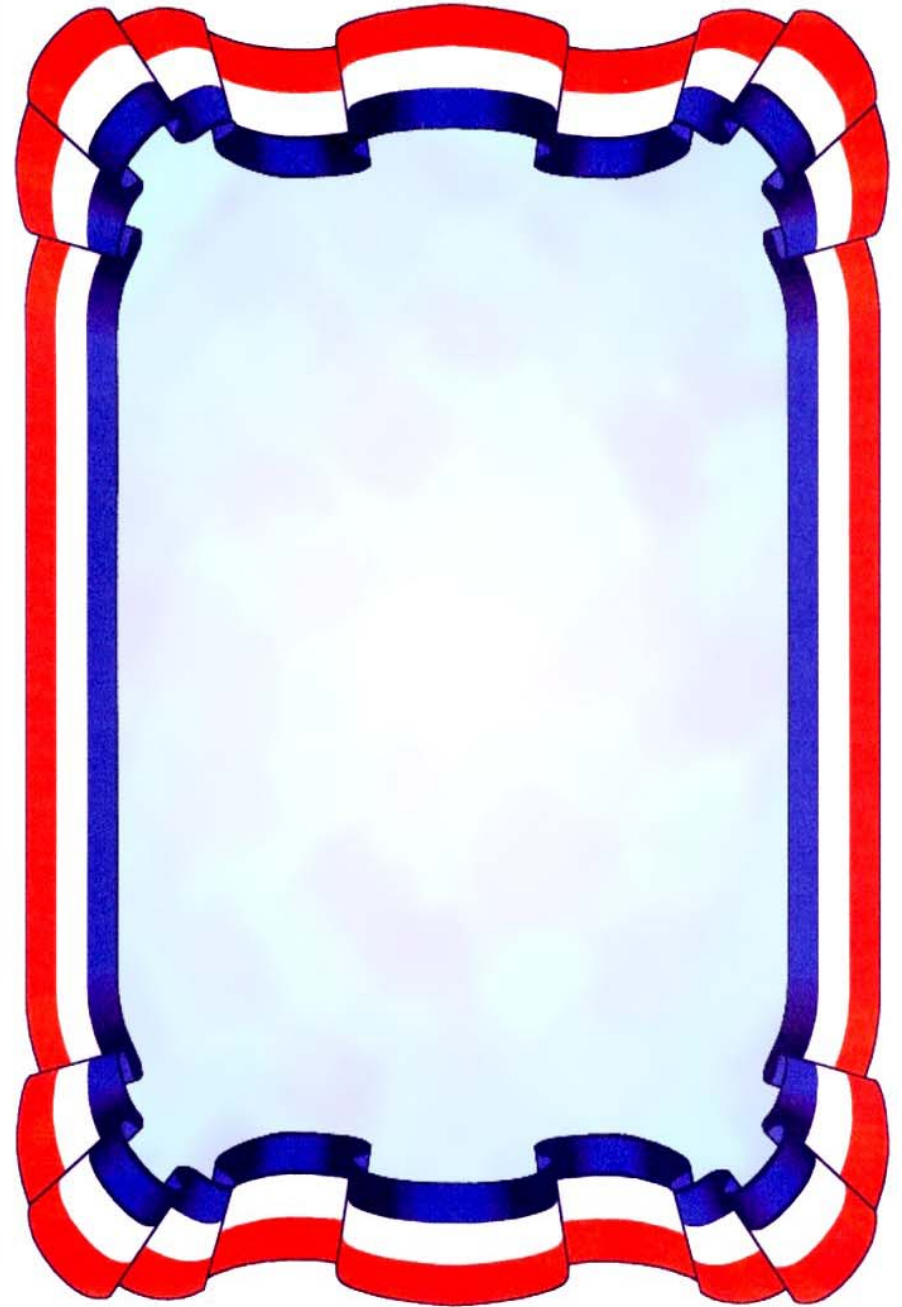

The Medal of Honor, often referred to as the Congressional Medal of Honor, is our Nation's highest award for military heroism. It is awarded only for the highest degree of valor while in military service against an armed enemy of the United States.

Though more than 40 million Americans have served our Nation in uniform since the birth of the United States in 1776, only 3,461 Medals of Honor have been awarded. These heroes are our own unique *Knights of the Round Table*, men of immense loyalty and patriotism who risked their lives in the defense of freedom, and now continue to give of their lives to promote patriotism and inspire other Americans in the spirit of sacrifice and service.

Since the beginning of World War II only 844 soldiers, sailors, Marines, and airmen have been awarded the Medal of Honor. Nearly two thirds of them died in their moment of heroism. On Veterans Day 2006, when *Patriot Calendar* became available, only 118 of these TRUE heroes remained. To these heroes, who serve to remind us of ALL the men and women who have risked and given all to secure the blessings of liberty, we dedicate this calendar. May God bless them in the coming year, and may....
