"We know the sun will always rise on America, as long as each new generation lights the fire of freedom. Our children are ready. So, again, the torch is passed - to a new century of young Americans!"

<div><div>FEBRUARY</div><div>IS</div><div>BLACK HISTORY</div><div>MONTH</div></div>	<div>On February 3, 1943 the <i>USAT Dorchester</i>, an Army Transport ship, was torpedoed and sunk in the North Atlantic. Four Chaplains, two Protestant, one Catholic, and one Jewish, exhibited the most uncommon brotherhood and valor, combined with supreme concern for saving the lives of other men. They organized frightened men and assisted their escape, then gave up their own life vests so others would survive. Together they went down with the ship. Every February churches around America remember their example in Four Chaplains Services. <b>Read their story at: <a href="http://www.HomeOfHeroes.com/chaplains">www.HomeOfHeroes.com/chaplains</a></b></div>	<div><div><div><div><div></div><div></div><div></div><div></div></div><div></div></div><div><div>1951 – Einar Ingman</div><div>1968 – Thomas Kinsman</div></div><div><div><div>(1778) France recognizes the US and signs first treaty of aid.</div><div>(1911) President Ronald Reagan is born in Illinois</div></div></div></div></div>	<div><div><div><div><div></div><div></div><div></div><div></div></div><div></div></div><div><div>1951 – Lew Millett</div></div></div></div>	<div><div><div><div><div></div><div></div><div></div><div></div></div><div></div></div><div><div>1941 – A. "Take up our quarrel with the foe. To you from failing hands we throw -- The Torch; be yours to hold it high."  
John McCrae (1915) from "In Flanders Fields"

# THE MEDAL OF HONOR

The Medal of Honor, often referred to as the Congressional Medal of Honor, is our Nation's highest award for military heroism. It is awarded only for the highest degree of valor while in military service against an armed enemy of the United States. Though more than 40 million Americans have served our Nation in uniform since the birth of the United States in 1776, only 3,461 Medals of Honor have been awarded. These heroes are our own unique *Knights of the Round Table*, men of immense loyalty and patriotism who risked their lives in the defense of freedom, and now continue to give of their lives to promote patriotism and inspire other Americans in the spirit of sacrifice and service.

Since the beginning of World War II only 844 soldiers, sailors, Marines, and airmen have been awarded the Medal of Honor. Nearly two thirds of them died in their moment of heroism. On Veterans Day 2007, when the *Passing the Torch Calendar* became available, only 111 of these TRUE heroes remained. To these heroes, who serve to remind us of ALL the men and women who have risked and given all to secure the blessings of liberty, as well as to a new generation of American heroes, we dedicate this calendar. May God bless them in the coming year, and may....

**God Bless America**
